## SNORKELLING

### SNORKELLING EXCURSIONS

The Indian Ocean is one of the world's best destinations to experience crystal clear water visibility and rich marine life. Maamunagau Island is blessed with a large lagoon which surrounds the entire island and is home to several snorkeling spots, thriving with diverse fish, black tip reef sharks, dolphins and turtles. During the months of August – November, guests can swim among majestic manta rays in the Maamunagau house reef as the manta's migrate between atolls.

Guests can enjoy a plethora of watersports and excursions in the turquoise waters of the islands lagoon or journey to nearby snorkeling and dive spots in Raa Atoll. Guests can book selected activities at the Marine Centre. Please note that all water activities are dependent on availability, weather and for certain activities, there are age restrictions.
